

**Advanced Placement Exam Results
2005-2010**

During the past six years 188 AP exams have been administered to FACS students. Advanced placement classes are offered to juniors and seniors. Sixth-eight percent of the students who took these classes and the exam at the end of the course, scored a 3 or higher and had the possibility of earning college credit. Listed below is the distribution of the scores for each year by subject.

Year	Exam	# Tested	Distribution of Scores					Average
			5	4	3	2	1
