FACS Parents:

What an awesome 'Open House' FACS had on Monday evening. Over 325 people were present and several students are enrolling now! Thank you for helping us get the 'news' out! We believe it was our most attended Open House ever! PTL.

I have several important points to bring to your immediate attention. Thank you in advance for your help!!!

- #1 Re-enroll now. Be sure to re-register ASAP. New students will be accepted beginning next week for 2010-2011. We want you to secure your student's spot first...we are looking for your 'yellow card'!
- #2 Eagle Legacy Classic...Remix II will take place on **April 1st** – not March 22. This is the day before spring break. Stay tuned for details next week! Thanks for your flexibility and adjustment.
- #3 FACS is doing an internal assessment. (Big name for **survey!**) The teachers and students are giving us feedback, and we need your help!!!

Please help us by taking 15 minutes to fill out our survey. Please follow this protocol:

- Sign in to your edline account as a parent.
- On the right side, in the contents box, click on either: Elementary School, Middle School, High School.
- In the contents box, click on 2010 parent survey.
- Click submit when completed.

I appreciate your time and heart. We love partnering with you, and we love your kids. Be blessed. Thanks for your help!

Mr. C

& FACS Administration
